For any sessions where the speaker/panel ends prior to noon, an enhanced roundtable discussion will follow. Potential enhanced roundtable topics requested at the planning meeting are:

- Unions/Work Councils (employee friendly workplaces, challenges, globalization, compression)
- Privacy (cross board/company sharing of personal data, cross company sharing when one company provides in house services for another and needs access to customers buildings)
- AODA
- Retirees (opportunities, what companies are doing when retirees are retiring and/or staying connected)
- Change Management (success stories, do not want a theoretical discussion)
- Team Challenges (project cohesion, virtual)
